### About Us

Established in 2012, Arkansas Cheer Academy is owned and operated by Candace Porter. Our gym is a proud participant in Competitive Cheerleading, Tumbling, Tiny Tot instruction, and Kid Fitness.

We are happy to bring our skills and qualified staff to the area. Training students of all ages, we look forward to instructing your child!

## All-Star Competitive Cheerleading & Tumbling

3739 Hwy 59 N

Van Buren, AR 72956

479-462-9806

[www.ArkansasCheerAcademy.com](http://www.ArkansasCheerAcademy.com)

## Tiny Tot/Tumbling

We begin instruction at the age of 2 years. Athletes will be introduced to motor movement, coordination skills, and learning the aspect of class structure. Tumbling classes for ages 4-25 are offered to beginner, intermediate, and advanced athletes. Our classes are geared towards coaching our athletes to perfect their skills by focusing on technique and performing strengthening exercises.

## Is All-Star Competitive Cheer Right for You?

Different from traditional cheerleading, athletes who participate in the sport of All-Star Cheerleading do not cheer for a team, they ARE the team. The coaches create a competition routine, which includes the elements of tumbling, stunts, jumps, dance, and other skills set to music. We are proud to offer a team to every athlete from beginner entry-level to advanced.

All Competition and Uniform expenses will be divided into a payment plan with specific deadlines. Fundraising is offered continuously throughout the season to all athletes and can cover ALL expenses.

### Practices:

Most teams will practice two days per week (a total of 5 hours). Practices days and times are subject to change seasonally.
